What is the Parks Plan?

Planning Forward

The Parks & Recreation Master Plan (PRMP) is a 20-year guide and strategic plan for managing and enhancing recreation opportunities, facilities, parks, and open space for the Dayton community.

The Parks & Recreation Master Plan will guide investments to improve the park and recreation system and help the City pursue grants and other funding.

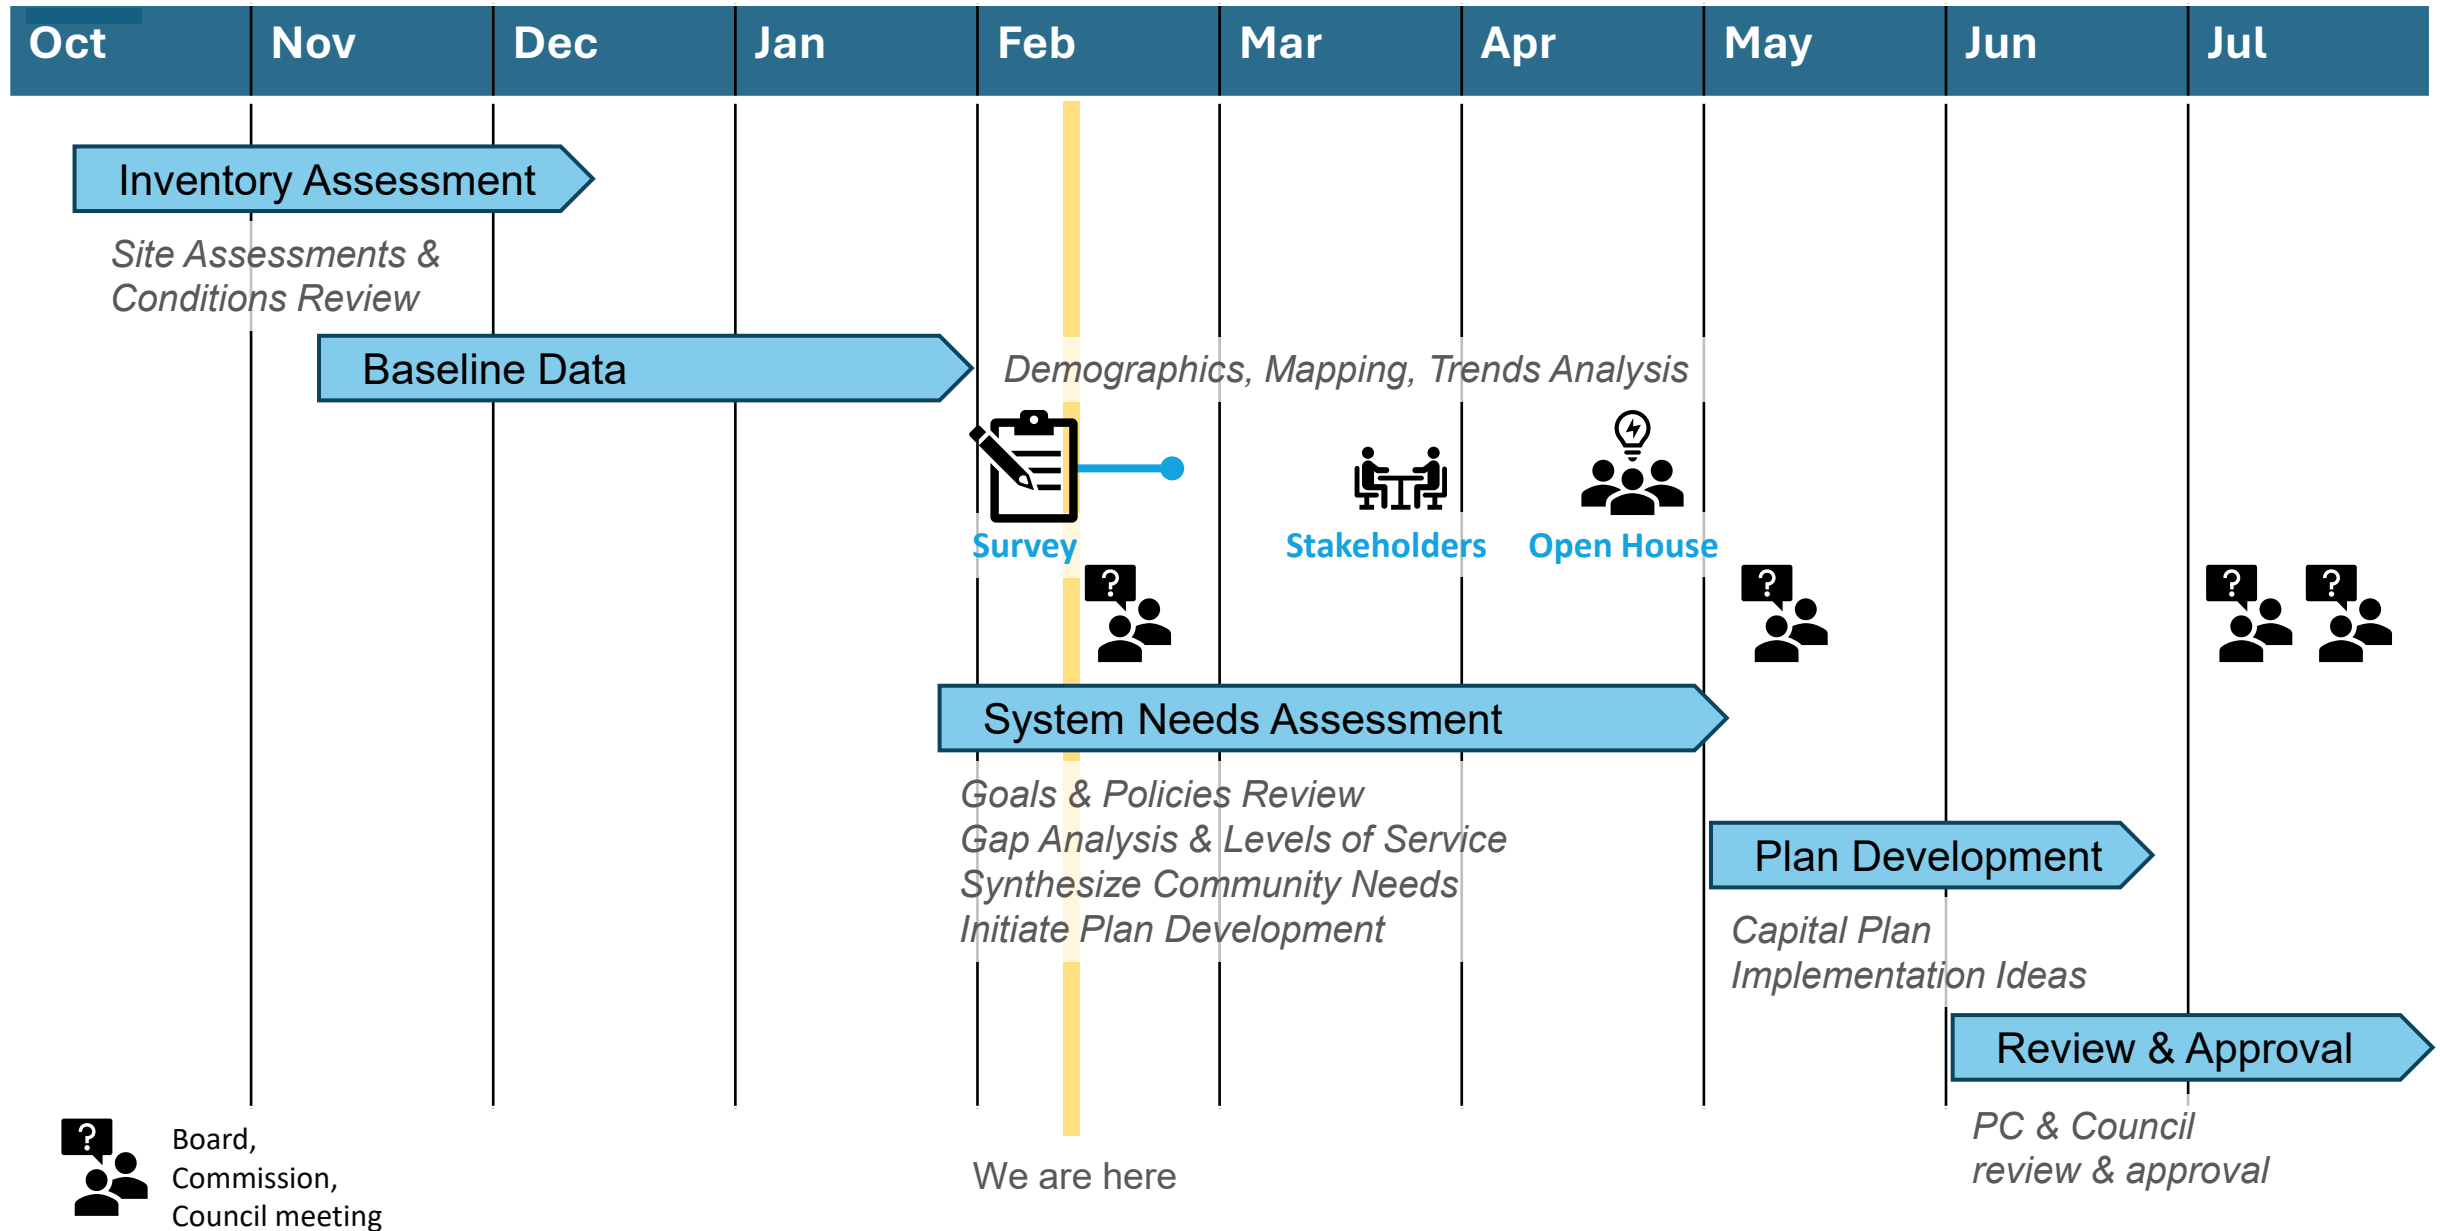

PRMP: The Next 20+ Years

The Plan is strategic in focus and guided by the following questions:

- What are our strengths? And what are key areas for improvement?
- How do we meet community needs now and into the future?
- Where should we focus our efforts and resources?

Public input is crucial to make sure goals and priorities are consistent with community needs and interests.
